

TEXAS SECURE OUR BORDER
MIGRANT PROCESSING PLAN

- **GENERATE REVENUE FROM PROCESSING MIGRANTS:**

- \$2K initial “migrant processing fee” good for 3 year period unless otherwise revoked if found to be in violation of state requirements and conditions.
 - Example: Del Rio Sector ONLY:
 - 1,600 daily crossings X \$2K fee = **\$3.2 Mill / day**
 - \$3.2 Mill/day X 354 days in yr. = **\$1.132 Bill/ annually**
 - Approx. **1.5 million** migrants crossed thru Texas in 2022
 - **1,500,000** migrants X \$2K fee = **\$3 Bill / annually**
- Issuance of Migrant ID Card (purple colored card with RFID chip easily distinguishable from Tx. ID or DL cards).
- Revenue applied to Tx. General Revenue account.
- 25% earmarked to combat fentanyl and other illegal drugs at the border by funding border counties and LEOs.
- 25% earmarked to continue infrastructure and equipment investment at our border land ports.
- Assessment of a special “migrant state employment tax” that goes into the state’s General Revenue account.
- Annual Renewal Fee (after the 3-year initial period) assessment for Migrants to remain in good standing.
- Renewal Fee goes to state General Fund earmarked at same percentages as above for border infrastructure investments and to continue to fight fentanyl and illegal drug smuggling.

- **REQUIREMENTS & CONDITIONS FOR MIGRANTS TO RESIDE IN TEXAS:**

- Migrants must prove they will be gainfully employed by submitting employment sponsorship letter.
- Migrants must remain gainfully employed during residency stay in Tx.
- Migrants may **NOT** seek nor are they eligible for state or federal benefits if approved to reside in Tx.
- No criminal activity above a Class C misdemeanor or Migrant faces immediate deportation out of Texas without possibility of re-entry.
- Minimum 5 yr. re-entry ban on those crossing thru the river or found to be unlawfully residing in Texas, and immediate deportation from the state.
- Failure to abide with any condition or special fee assessment may result in immediate deportation and/or imprisonment.

- **INVEST IN TEXAS BORDER LAND PORTS:**

- Use border land port facilities to process Migrants.
- Invest and expand Tx. land port facilities to combat Fentanyl & other illegal drug smuggling and to aid in processing of Migrants.
- Invest in scanning, X-ray, camera, surveillance, and computer equipment.
- Use of land ports will protect LEOs from risking their lives along the Rio Grande.
- Eliminate monetary incentive from cartels using Migrants as mules to cross drugs.
- Reduce/Eliminate exploitation, human smuggling, & sexual violence of Migrants.
